## **Waco Lake Hike and Bike Trail now open**

The Waco Lake Hike and Bike Trail is now open to the public, according to lake staff at the U.S. Army Corps of Engineers lake. The trail has been closed due to security measures since the Sept. 11 terrorist attacks that occurred in other parts of the country.

The hike and bike trail will be open during daylight hours only. Security officials will continue to patrol around the area.

For more information, contact the Waco Lake office at 254-756-5359.
